

# PLATINUM ENCLOSURES

## 6u 450mm Platinum Pt range

**Our Platinum Pt enclosure range offers a robust wall mounted data cabinet, with the added benefit of becoming a floor standing cabinet all in one enclosure. The Lightweight, easy installation Pt Cabinet comes complete with predrilled holes and adjustable feet to suit to convert this from a wall mounted cabinet in your office/warehouse/IT room to a cabinet that is perfect to fit under your office desk/cupboard/work surface with its floor standing capabilities.**

This range is ideal for all data and AV solutions, and the height range available accommodates whether it is a one computer home system or a large data or AV system. All enclosures come in a glossy black powder coat finish, glass front door with lockable and removeable sides for ease of installation with top and bottom cable entry. This product has extensive packaging inside the box to prevent damages occurring during transport, to give you peace of mind that your product will arrive in perfect condition ready for your installation.

The Platinum Pt range is available  
in a assortment of sizes.
